Nikita Kumari Nonia

Professional Goals

Looking for a challenging opportunity in a reputed organization where I can utilize my strengths to build my career that would intrinsically help me in achieving greater practical excellence in the technical domain as well as where I can learn new skills, expand my knowledge, and leverage my learnings by having an exceptional hardworking nature with good communication skills.

College Level Project Experience

Online Examination System project

- □ Online Exam is very important for any educational organizations for this covid situation.
- □ In this project I have used MySql, Xampp, VScode.
- □ In this project I have used PHP,HTML,JS, Bootstrap, JQuery.
- □ This website is designed for the web-based browsers.
- □ It can simplify overall examination management and result genration
- □ There should beand internet connection for appearing theseexam. This interface is very easy and can be maintained by anyone.

Technical and Placement Cell(Database Access)

- Provide frontend to the user for filling up the data
- Access and retrieve data from the backend for further usage.
